31 August 2016

Dear Stuart

### **Ofsted Inspection of the Langley Park Primary Academy**

As you will be aware, the premises, policies and procedures of the proposed Langley Park Primary Academy, opening this year, were recently subject to an inspection carried out under section 99 of the Education and Skills Act 2008<sup>1</sup> to confirm that they comply with the Independent School Standards. The inspectors have asked us to pass on their thanks to you and your colleagues at the school for the hospitality and co-operation afforded to them during their visit.

I am pleased to tell you that Ofsted has advised the Department that the Academy met all of the regulations necessary, and has consequently recommended that the school be entered on to the Independent Schools' Register.

I enclose a copy of Ofsted's Pre-registration Regulatory Check Sheet, which details all of the standards met by the Academy, and any comments made by the inspectors in relation to each of these standards.

Whilst the inspectors have commented that all of the necessary policies were in place, they could not assess the implementation of these policies as the school was not open at the time. I trust, therefore, that all of the written policies will be effectively implemented following the opening of the school.

Should you have any queries, please do not hesitate to contact me.

Yours sincerely

Barbara Panayi Norton  
Project Lead, Academies Group, DfE
