Dear Parents/Carers

RE: Academy Closure

After much deliberation, the Principal and myself have made the decision to close the Academy tomorrow (Friday March 2nd).

Although the weather forecast changes regularly, it is clearly the case that temperatures are going to remain at or below freezing and the ground will remain treacherous. The Health and Safety of pupils, staff and parents must always be a priority. The site around the Academy and the approach roads and pavements are just too dangerous to drive and to walk on. In addition, our staff live further afield and many of them are unable to travel safely to school.

Rather than making another announcement tomorrow morning, I felt it was much more sensible to let parents know in advance so that you can make arrangements for tomorrow with additional planning time. This seemed to be sensible bearing in mind that conditions are very unlikely to improve tomorrow.

Unless you hear any further announcements from me or the Principal to the contrary, please assume that the school will be open as normal on Monday.

Best Wishes

Mrs D A Biggenden

Executive Principal
