Friday 19th January 2018

This week we have been learning...

In English this week we have been focusing on comparing characters. We have learnt how adjectives can change by adding the er or est suffix. We have imagined how we would feel if we were in the Great Fire of London. We have used a range of sentence types. We are becoming more confident in using dictionaries and thesauruses.

In maths we have been able to use grouping on a number line to solve a variety of mathematical enquiries. We have been focusing on using our reasoning and problem solving skills. We have moved onto looking at data. We have learnt how to read tally charts and begun to use pictograms.

In P.E we have been continuing to learn about passing a ball. Our focus is on basket ball and net ball. We have been able pass to different people while moving to a new area. In gym we have been looking at different jumps and how we can use different body parts to support us. In Topic we have focused on comparing the 17th century to the 21st century. We have been able to discuss and record the differences and similarities.

How you can help at home.

Please take a picture of your child reading in an unusual place and sent it to our class email for our reading display.

Home Learning this week:

Reading with your child.

Spellings

Topic challenge

Spellings: copying, crying, replying, marrying, carrying, flying, trying, drying, skiing, taxiing

Please remember

P.E kits must be in school P.E will be on **Tuesday**. Our topic this term is Fire please supply any boxes. **Spelling books** are due in every **Thursday**. Celebration assemblies will now take place every Friday at 9am.

Star of the week goes to...

Lucy

For working hard on improving her work, reading through to check it makes sense and editing using a dictionary and a thesaurus.
