Friday 20th October 2017

This week we have been learning...

This week in our writing we have continued to learn about conjunctions. We have planned a written a letter explain why we will not be in school. We have been able to use conjunctions and adjectives. We have been able to improve our letter and write it up. We have written about fireworks to show our skills that we have learnt so far this term.

In maths we have been looking at subtraction. We begun by finding 10 more or 10 less than any number lower than 100. We must remember when we do this then tens number changes and the ones stay the same. We have been able to use a number line to subtract a single digit number from a double digit number. We are also able to use a number line to subtract double digit numbers using our place value knowledge.

In our topic 'Beat the Street' we have made our very on Sir Bobblysock. We have been able to follow our plans and evaluate our work. We have also been using a range of materials and resources to make autumnal pictures and designs. We have carried out a scientific investigation to find out the effects of exercise on the human body. We have been able to find our pulses and record the number of beats in a minute.

How you can help at home.

Over the half term please revised counting in 2's, 5's and 10's.

Home Learning this week.

Reading with your child.

Spellings

Spellings: action, station, fiction, motion, nation, national, section, position, solution, operation

Please remember

P.E will continue on a Tuesday and Wednesday please ensure all kits are in school and named.

The new term begins Monday 6th November. School disco is after school on Monday the 6th.

Thought for the week.

Today you are you,
That is truer than true.
There is no one alive
Who is youer than you.
-Dr. Seuss

Star of the week goes to...

Ellie-May Dighton

For always accepting a challenge and for improving her spellings.

Congratulations!
