

Inspirational introduction

Children receive an invitation and box of party decorations. Children explore what celebration the objects are for (a wedding) and hold the event.

Key texts

Here comes Diwali
Kids around the world celebrate
Mr Birthday/ Little Miss Birthday
Guy Fawkes

As friends we will learn to:

- Form good friendships and show friendly behaviour.
- Choose resources with or without help.
- Explain own knowledge and understanding to others.

As communicators we will learn to:

- Ask 'how' and 'why' questions.
- Listen and respond to others.
- Use language to recreate roles and experiences in play.

As we grow will learn to:

- Hold a pencil and use it with good control.
- Experiment with different ways of moving.
- To use equipment safely.

Celebrations Term 2

In this topic children will learn about different celebrations including Diwali, Remembrance Day, Bonfire Night, Halloween, Harvest and Christmas as well as birthdays and weddings.

Trip/ Visitors
Local church/ Vicar

Fabulous finisher

Children hold a Christmas party for their parents. They write invitations to their parents and help make food and decorations.

As writers we will learn to:

- Continue a rhyming string.
- Hear and say the initial sound in words..

As scientists we will learn to:

- Talk about our favourite family customs.
- Ask questions about the familiar world around us.
- Complete simple computer programmes.

As mathematicians we will learn to:

- Group objects and count objects accurately beyond 10.
- Name specific shapes.

As artists we will learn to:

- Begin to move rhythmically.
- Use tools for a purpose.
- Create simple representations of events, people and objects.
