Welcome to Reception!

WOW!

What an amazing first week we have had. All the EYFS team are incredibly proud of how well the children have settled this week. We have been learning the routines and rules of the classrooms and have been doing so well to remember so much.

Parents, please be aware that you may start get some tearful children in the next few weeks. This is completely normal! They will become tired and realize they have to come to school everyday but please don't worry, once they're with their friends they forget why they were upset.

How you can help at home.

Encourage your child to dress themselves (in preparation for P.E day)!

Class emails: Please allow staff 48 to reply.

Discovery@langleyparkprimaryacademy.org.uk

Apollo@langleyparkprimaryacademy.org.uk

Home Learning this week; Can your child draw someone in their family in their home journals. Please make sure their home journals are in school by Thursday every week.

Next week: We will be sending home reading books and reading records. We will send out information about these with them but please speak to your child's teacher if you are unsure of anything.

Please remember...

- P.E is on Tuesday. Children will need their kit (all named). Long hair should be tied back and any earrings to be taken out.
- Snacks should only be fruit or vegetables (no biscuits/ chocolate etc) and grapes should be cut lengthways.

Thought for the week.

'Just think happy thoughts and you'll fly' – Peter Pan

Star of the week goes to...

Oscar Coleman – Discovery Class

Oscar has been doing some incredible tidying up this week – he has also been sharing beautifully and listening really well to the adults!

Noah Burton – Apollo Class

Noah has been really kind towards his new friends and has also been helping others take turns to share the equipment in the classroom!

Congratulations!
