

Foundation Stage Newsletter

Thursday 29th March 2018

This week we have been learning...

...all about the Easter story!

We have listened to the Easter story being retold and recalled some important parts of it in our books. We have enjoyed decorating Easter eggs with colourful patterns and 2D shapes.

In maths we estimated how many chocolate eggs were in different cups- we were really good at guessing (and enjoyed getting to eat them too)! On Thursday we had egg-tastic Easter egg hunt - it was a lot of fun! We all worked hard to find an egg and also enjoyed dancing and playing party games at the disco too!

Thought for the week:

'Always believe that something wonderful is about to happen.'

- Anonymous

Please remember:

- Over the half term please check your child's P.E kit- make sure it is all labelled and they have everything they need in there.
- Remember back to school on Monday 16th April.

Home Learning: Can you draw a picture and write about what you do in the Easter holidays in your homework book.

Keep practicing lots of reading over the holidays as well – the children are doing so well.

Super Stars – We would like to include the voice of our parents and carers in our classrooms. Attached is a 'super star'- please write something super that your child has done (perhaps something they now do which they didn't before or something they have gotten even better at). Please send them back to school after the holidays so we can display them. ☺

Star of the week goes to...

Leja – Discovery Class

For her excellent reading skills!

Olivia – Apollo Class

For working hard in phonics and always being kind to her friends.
