

Year 3 Newsletter

Friday 17th November 2017

This week, we have continued to study our new topic: 'Big Hero'. Our latest topic focuses upon famous inventors and their inventions.

This week we have been learning about ...

In English, we have been planning and writing our own versions of 'Clink' using our prediction skills to decide what could of happened when a new robot was introduced to his world. Fortune have continued to focus upon using accurate sentences in our writing. The class have also been working hard to ensure that we are using our very best cursive handwriting in our work.

In Maths, have been focusing upon our understanding of multiplication. Our focus has been representing multiplication problems in a range of ways. Fortune have also spent their time developing their understanding of the different types of mathematical vocabulary they may come across in multiplication questions.

In our afternoon topic sessions, we have continued to learn about inventors and important inventions. Our time has been used to start thinking about our own heroes and how they have influenced our lives. Fortune have also started to create their junk robots using the plans that they have created. The robots have been designed to make life easier for everyone at home.

Spellings

To be tested on Thursday 23rd November.

Suffix '-ally' If the root word ends in -.ic -ally is added rather than -ly.

Ending '-ure' with some pronounced 'yer'.

- basically

- picture

How you can help at home.

Home Learning this week.

Please can you ensure that you are reading regularly at home with your child.

Homework

Please see the homework list that has been included in the yellow homework book for this term's homework.

Reminders

Please remember P.E is on a Tuesday and Wednesday this term.

Kits will be required on **both** days. Reading books need to be in school every day. Could you please check your child's clothing and ensure their name is clearly visible.

Star of the week goes to...

Lara Mason

For her incredible effort in her English work so far this year.

Congratulations!
