

Year 3 Newsletter

Friday 26th January 2018

This week, we have continued our new topic: 'Chocolate'. Our latest topic focuses upon the importance of a balanced diet as well as product development/research.

This week we have been learning about ...

In English, we have been writing our own persuasive letters. We have focused on using all of the key features to help convince the local council that chocolate should be included as part of school dinner menus. Fortune have made sure that they have used facts and sentence openers to do their very best to convince the council to change their mind.

In Maths, we have been solving a range of multiplication problems. Fortune have been focusing upon using formal methods for solving these types of problems. In the second half of the week, we have been recapping our understanding of division and have made sure we use our multiplication facts to help us solve tricky problems.

In our afternoon topic sessions, Fortune have been learning all about product design. We have created our own products, priced up the ingredients and even created advertising campaigns to help us sell our new bars. The class then had to present their products in an Apprentice style event to try and convince the teachers to invest in their products.

How you can help at home.

Home Learning this week.

Please can you ensure that you are reading regularly at home with your child.

Homework

Project homework has been sent home this week.

Times Tables

Please can you ensure that you are practicing your 3 and 4 times tables this week for a quiz next week.

Reminders

Please remember P.E is on a Tuesday and Wednesday this term.

Kits will be required on **both** days. Reading books need to be in school every day. Could you please check your child's clothing and ensure their name is clearly visible.

Please remember to keep practicing the Young Voice's songs!

Star of the week goes to...

Crystal

For the exceptional attitude she has demonstrated in Maths.

Congratulations!
