

Year 3 Newsletter

Friday 9th March 2018

This week, we have continued our topic: 'Bright Sparks'. Our latest topic focuses upon the importance of creative thinkers, scientists, artists and inventors.

This week we have been learning about ...

Imperative verbs and instructions. We have been studying George's Marvelous Medicine. We have created a recipe for an incredible medicine to get our revenge on Mrs. Fidock. We have worked incredibly hard to ensure we have used a range of adjectives and sentence openers to create a fantastic set of instructions.

In Maths, we have been investigating measurement. We have worked incredibly hard when converting measurements between different units and have moved on to calculating the perimeter of different shapes. Fortune have worked exceptionally hard to make sure they have solved a range of challenging problems and investigations this week.

In our afternoon topic sessions, we have been learning all about light. We have been learning all about reflection and how this helps us to see all of the objects around us. We have completed a range of experiments to investigate light and reflection. Fortune have even managed to manipulate light around corners to help us see objects. Fortune have also enjoyed an amazing Science Week workshop.

Spellings

To be tested on Thursday 22nd March 2018.

How you can help at home.

Home Learning this week.

Please can you ensure that you are reading regularly at home with your child.

Homework

Please ensure you are working on your project homework for this term.

Times Tables

Please can you ensure that you are practicing your 6 and 4 times tables this week for a quiz next week.

Reminders

Please remember P.E is on a Tuesday and Wednesday this term. Kits will be required on **both** days. Reading books need to be in school every day. Could you please check your child's clothing and ensure their name is clearly visible.

Star of the week goes to...

Isabelle

For her exceptional attitude and contributions in English this term.

Congratulations!
