

Year 3 Newsletter

Friday 23rd March 2018

This week, we have continued our topic: 'Bright Sparks'. Our latest topic focuses upon the importance of creative thinkers, scientists, artists and inventors.

This week we have been learning about ...

Using a range of descriptive techniques. We have continued to use George's Marvelous Medicine as inspiration and have even inspected CCTV footage of some strange goings on in Mrs. Fidock's office! We have written our own stories based upon these events and have worked hard to use a range of conjunctions and sentence openers in this writing

In Maths, we have been learning all about perimeter. We have applied our understanding to a range of different investigations and have completed a number of fantastic open-ended practical challenges. Fortune have worked exceptionally hard to make sure their presentation has been fantastic in maths this week!

In our afternoon topic sessions, we have been learning all about the life of Quentin Blake. Fortune will be using this fantastic research to create a fact-file/biography of his life over the course of next week. Fortune have also worked incredibly hard on developing their understanding of sketching this week by creating a fantastic image of our new school building. Our sketching and shading has improved throughout this process.

Spellings

To be tested on Thursday 22nd March 2018.

medicine

How you can help at home.

Home Learning this week.

Please can you ensure that you are reading regularly at home with your child.

Homework

Please ensure you are working on your project homework for this term.

Times Tables

Please can you ensure that you are practicing your 3 and 4 times tables this week for a quiz next week.

Reminders

Please remember P.E is on a Tuesday and Wednesday this term. Kits will be required on **both** days. Reading books need to be in school every day. Could you please check your child's clothing and ensure their name is clearly visible.

Star of the week goes to...

Teddy

For his fantastic story about our marvelous medicine!

Congratulations!
