

Seedlings Newsletter

Friday 15th December 2017

We have had a fabulous festive week in Seedlings. We are so proud of all the children's hard work in the Foundation Stage Nativity, we hope you enjoyed it as much as we did!

This week we have been looking at the Nativity story, creating our own versions of it during role play and making our own Nativity stick puppets.

We have also been looking at rhyming winter words and listening hard to see what words sound similar to each other. We have been looking at Christmas numbers and counting out objects to match them.

We have been exploring ice and mixing it with paint to see what happens when it melts. The children have also been developing their fine motor skills using tweezers to move sugar cubes into containers!

Next week we are looking forward to our Panto trip, School Christmas lunch as well as our Christmas parties.

Next week will be Emma's last week. We thank her so much for all her help and support in Seedlings. Mrs L will be full time in Seedlings from January.

We thank you all for your support this term and look forward to working alongside you next year to support your child's development.

Next Term:

Next term we will be basing our learning on People Who Help Us. We will be focusing upon the children's interests but look forward to looking at a range of different occupations that help us!

At the start of the term we will be welcoming some new additions to Seedlings class and we look forward to helping them settle in!

All about Me!

Many thanks for those whom have returned their 'All About Me' sheets, if you still need to or need another copy please let Mrs L know.

Photographs!

We are keen to create a display of our families to help promote the children's discussions in class and to value our own individuality within nursery. We would really appreciate some great family photographs over the festive period. Please either email these to:

seedlings@langleyparkprimaryacademy.org.uk or print them off and send into nursery in January.

We wish you all a wonderful Christmas and
look forward to seeing you in 2018!
