

# Seedlings Newsletter

Friday 19<sup>th</sup> January 2018

This week we have been learning all about Police officers and how they help us.

We have been using our scissor skills to make Police hats, cut out and create our own disguises and to create police officer stick puppets.

We have also made our own police cars out of boxes which we have enjoyed using in our role play.

In phonics we have been listening to the sounds in the world around us, using instruments to make and repeat patterns as well as hearing words that rhyme in games and stories.

The children have shown an interest in shops. Therefore next week will be focusing upon Supermarkets as part of our People Who Help Us topic.

With this in mind we will be exploring different foods and where they come from, writing shopping lists and practising our counting. We will also be taking part in lots of fun arts and crafts linked to food and Super markets.

If you possibly have any old food packing, for example cereal boxes etc that we might use to stock our supermarket I would be very grateful. Due to allergies we can not accept packing that has had nuts in them.

## Family Photographs

Our 'Seedlings Family' display is coming on, however we would still like to have photographs of all children within the setting. If you would like to send in or email your family photo to [seedlings@langleyparkprimaryacademy.org.uk](mailto:seedlings@langleyparkprimaryacademy.org.uk) I am more than happy to print them off for you. Many Thanks.

## Stay and Play Session

On **Tuesday 6<sup>th</sup> February** we will be holding a stay and play session within nursery. This will be an opportunity for you to join your child in nursery to explore and learn alongside them. I aim to have a stay and play session each term. Due to numbers within the nursery I am afraid it will only be open to children who attend during that session. If you would like to attend please let either Mrs L or a member of the nursery team know.

The morning stay and play session will be open from 11.00-11.45am (for children who go home at 11.45am).

The afternoon session will be open from 2.45-3.30pm. (For children who go home at 3.30pm). Younger siblings are also welcome to attend.

## Shoes

Please could children wear either slip on shoes or shoes with velcro. This really helps us with developing their independence when getting dressed and undressed. Many Thanks.

## Polite Reminder

Just a reminder that the times for the nursery are 8.45-11.45 am for the morning session 12.30-3.30 for the afternoon session. Any child collected later than these times will unfortunately have to be charged for the additional care.

Star of the Week:

**Maisie – For being so brave and settling into her new nursery so well!**
