This week we have been learning...

...all about Peter Pan!

We have enjoyed learning all about the story of Peter Pan. We have designed and built our own pirate ships and sailed the seas on them during our role play. We have also thought about what our happy thoughts are- they will help us to fly, just like Wendy, John and Michael.

We followed tricky instructions to each make our own Peter Pan hats, we even decorated them with a feather! We have designed our own Neverland with interesting things we would like to add to it.

Being each others shadows was a lot of fun! We had to copy the shadow leader really carefully and we got to show our class mates our great team work at the end of the session.

Please remember:

- Earrings **MUST** be taken out on Tuesdays for P.E and if you child takes part in physical after school clubs (street dance, football, gymnastics, multi skills).
- To re-label any clothes where the label has fallen out or been washed off.

Phonics – Please encourage your child to write words phonetically (e.g apple = apll) as this encourages them to hear all the sounds in a word.

Home Learning: We have been learning the names of 3D shapes – can you find objects that match a cube, sphere, cuboid and cylinder and draw these (or take photos).

Thought for the week:

'All you need it faith, trust and a little pixie dust!'- Peter Pan

Star of the week goes to...

Lily – Discovery Class

For being a wonderful member of Discovery class (Good luck in your new school!)

Harry – Discovery Class

For his excellent attitude towards his reading.

Lacey-May – Apollo Class

For improving her attitude towards phonics and making huge progress in her reading!
