

# Seedlings Newsletter

Friday 9<sup>th</sup> March 2018

We hope you have all warmed up since last week! We have had a super week learning about Day Monkey, Night Monkey.

This week the children all voted to choose the story that they would like to learn about next week, they have chosen 'Aliens Love Underpants' by Claire Freedman and Ben Cort.

We will be sharing the story together, working on ordering our numbers by hanging underpants on a washing line.

We will also be look at patterns on pants, describing the pants in the story using our words as well as acting out the story with our friends.

The children will also be exploring how to make flying aliens!

The children will also be working on their independence when putting on and taking off their coats and organising themselves at the start and end of each session.

## Key Dates for your diary:

**Monday 26<sup>th</sup> March:** Term 4 Stay and Play. AM children 11-11.45. PM children 2.45-3.30pm

**Tuesday 27<sup>th</sup> March:** Nursery Easter Parties (For children whom attend on a Tuesday). We will be having a celebration on each day of the week across the year so that all children have opportunities to celebrate with their friends.

## Drink Bottles

Please could you check your child's water bottle is clearly named. Whilst we have cups for waters we would really appreciate all the children having their own bottle for nursery.

## Wellington Boots.

We would really appreciate it if all children could have a pair of wellies in nursery at all times. The children love to cook in the mud kitchen and explore the messy garden area! If you have any old wellies that you no longer require we would love to have a few spare so all children can access the digging area.

## Snow pictures

We have already received some wonderful snow pictures during last week. If you would like to share them with us feel free to email them in or print them off and send them into nursery. Many Thanks!

## Reading Competition!

Well done to Jacob who has won our reading competition. Jacob had a fantastic photograph of him reading to cows at the farm, well done Jacob, we hope you enjoy your prize!

## How you could support your child's learning about 'Aliens Love Underpants at home...

- Practise singing '10 little men in a flying saucer'. You could use your fingers to be the men in the flying saucer and put one down each time you sing 'one man flew away'.
- Build a spaceship using lego, duplo or recycled materials at home.
- Practise using pegs to hang up the washing.
- Design your own underpants!

## Star of the Week:

Well done to Lily for always having a positive attitude to nursery and always trying her best in all that she does!
