Friday 18th May 2018

This week we have been learning...

...about the book 'What the ladybird heard' by Julia Donaldson!

We have practiced our rhyming word knowledge, made maps of the farm, grouped ladybirds in 2's and 5's and wrote about our favourite parts of the story (giving reasons of this too!)

We're happy to report the class caterpillars have all changed into beautiful butterflies – we are very excited watching them stretch their wings. Our beans have also changed and we will take them home (some beans didn't grow, this is a part of learning but we will send home some sunflower seeds as compensation for you to try at home)!

On Friday we had a celebration fit for royalty. We learnt about what happens at a wedding and even decorated our own mini wedding cakes! ☺

Trip info - Wednesday 23rd May – Your child will need;

- A packed lunch, raincoat and sun hat
- To wear their uniform
- Trainers are allowed.

Home Learning this week – Can you write what you do with your bean – will you pot it in a soil? Where will you put it? Draw a picture in your journal and write a sentence. .

Phonics – Can you child sound out and write farm animals such as; cow, sheep, pig, dog, duck (and any others they can think of).

Thought for the week.

"If it never rains, then we'll never grow." – Author unknown

Star of the week goes to...

Ariana – Discovery Class

For trying really hard with her writing – especially her name and the phonics sounds she knows!

Harry. W – Apollo Class

For trying hard to do the right thing and for having a positive attitude in class.
