Langley Park Primary Academy

Seedlings Newsletter

Friday 18th May 2018

This week we have been celebrating the Royal wedding! We've made cucumber sandwiches and jam scones, enjoyed creating our name places for our party as well as writing our list of wedding guests.

The children have also been learning about people in the Royal Family, as well as whom makes the wedding party.

The children have also been continuing to work on their understanding of blending and segmenting words to help them when orally blending words. We would really appreciate you practising this with your child at home, it will help them so much when they begin 'big school'!

Next week we will be continuing to learn about animals. This time focusing upon animals that live 'Under the Sea'.

We will be creating different sea creatures, exploring mark making techniques to make our own puffer fish as well as talking about the features of different creatures.

If your child as a stuffed toy or an information book about creatures that live under the sea we would really appreciate them bringing them into nursery next week.

During Term six we will be focusing on 'Superheores' in our learning as well as preparing our school leavers for big school.

Dates for your diary:
Wednesday 23rd May: Stay and Play Sessions. AM children 11.00-11.45 and PM children 2.45-3.30pm. Younger siblings welcome.
Friday 25th May: End of Term 5.
Monday 4th June: Start of Term 6.

Moving onto 'Big School'.
I have been in discussions with Mrs Bye in regards to making the transition from nursery to Langley Park Primary Academy as smooth as possible. We have a number of opportunities planned for the children to explore their new classroom, meet their teachers and develop their confidence through out term six. More details to come in due course.

For children whom are moving to other schools I will also be in contact with their teachers and offer them opportunities to visit our setting to meet with the children and discuss their next steps in their learning in preparation for September.

Proud Clouds
Thanks to those of you whom have sent in new proud clouds. We would love to update all of our proud clouds, if you still have one you would like to send in please do.

Well done to Ellie for being more independent when looking after herself in nursery.
Well done to Jacob for trying hard with his writing. We are so proud of you both!
