

Foundation Stage Newsletter

Friday 8th June 2018

Welcome back!

We hope you had a lovely half term break 😊

This week we have been learning...

...about different types of transport as we begin our new topic of 'Up, up and away'.

We have enjoyed learning about different ways of travelling. We have thought about the places we visited in the half term and which methods of transport we used to get there.

We have carried out a travel survey to find out how each child travels to school each day. We enjoyed looking at the data we collected and talking about our findings. In maths we have started learning about money and coins. We looked at the shape and colour of each coin. We have learnt that each coin has a different value and used small coins to make up the different amounts that each coin is worth.

Home Learning this week – We have been learning about money. Can you show the children some money and talk about how much each coin is worth. Can they draw each coin in their books?

Please remember:

- P.E kits needed for Tuesdays and if your child is in an after school club – Discovery will be having extra P.E on Tuesdays and will be staying in their kit all day.

Other news

- Please remember the PTA Fathers Day breakfast on June at – please ask at the school office for further details.

Can you help?

- Please bring in any clean recycling we can use for junk modelling as we'd like to make buses next week!

Phonics – Please continue to support your children to practice their tricky words below.

Phase 2 – I, no, go, the, to, into

Phase 3 tricky words – he, she, we, be, you, are, her, was, all, they, my

Phase 4 tricky words – said, so, like, so, come, some, little, were, there, one, when, do.

Thought for the week.

"A journey of a thousand miles must begin with a single step." – Lao Tzu

Star of the week goes to...

Olivia – Discovery Class

For make a huge improvement with her reading!

Mason – Apollo Class

For making an improvement in his behaviour and always working hard in phonics.
