

Foundation Stage Newsletter

Friday 22nd June 2018

This week we have been learning...

...about aeroplanes and different countries.

We looked at how we travel to different countries around the world and investigated how to make aeroplanes (we then tested them to see how far we could make them fly). We designed our own landmarks as well as trying to make famous landmarks using 3D shapes.

We painted maps of the world with the countries that we knew and wrote an adventure about where we would travel if we had a balloon house (like the one from Up!).

We have been very excited about sports day this week and practiced some of our races, we're looking forward to showing our skills on Friday. 😊

Other news

Remember our summer fayre is this Saturday 11am-2pm (adults £1 entry fee, children come free).

Phonics – Please continue to encourage your child to practice their tricky words and play games such as I-spy to encourage phonic recall.

Home Learning this week – Draw a building or place that is special to them.

Thought for the week.

"Be someones sunshine today!" – Unknown

We would like to thank parents and carers for their support during what has been a very hard week for all.

Star of the week goes to...

Evie – Discovery Class

For practising her writing and bringing in stories she has written at home!

Amelia. J – Apollo Class

For her excellent independent writing!
