Friday 15<sup>th</sup> June 2018

We have had a super week sharing the story of Supertato!

We have saved frozen carrots in the water tray, used our muscles to pick up peas with tweezers, mashed peas in the tuff spot and created our own Supertato characters!

We have had so much fun we are going to continue with the Supertato series and next week share the story of 'Supertato; run, veggies run!'.

We will be creating our own vegetable and fruit pictures, counting vegetables, using our phonics skills to find vegetables as well as mark make about the different vegetables we like.

Next week we will also be continuing to prepare the children for big school. For those children that will be attending Langley Park we will be exploring the reception classes as well as developing our changing skills for PE.
