This week we have been learning...

As you may be aware, this week we have completed our secret agent training (SATs). We have all worked extremely hard. We have shown our skills in reading by being able to answer questions about a short or long piece of text. Some of us remembered to find the key words in the question before looking for the answer in the text. We have been able to use our sounds in a spelling test and recognise a range of word types. We have also been able to show our arithmetic skills by answering calculations and showing how to answer more reasoning based questions. We have all worked hard so well done.

In topic this week we have continued to learn about Castles and Knights. We have written a diary entry as if we were going to become a knight. We have been able to use IT to watch videos from the past and gather information from books. We have continued to develop our art skills by looking at block color. We have planned a piece of work and used paints to create a final piece. Watch this space for our fantastic creations.

How you can help at home.

Recognising numbers greater than or less than a number between 1-100

Home Learning this week:

Reading with your child

Spellings

Topic challenge is due this week

Spellings: any, many, clothes water, pretty, Christmas, beautiful, busy, poor, kind

Please remember

If you wish to discuss anything or share any home learning please email empire@langleyparkprimaryacademy.org.uk

Please read with your child every night

Remember our fantastic finish is taking place at 1.30 on 25th May, please come and join us and see what we have been learning about.

Star of the week goes to...

Ellie-May

For showing lots of enthusiasm and resilience in her learning.
