

Seedlings Newsletter

Friday 22nd June 2018

This week we have basing our learning on 'Supertato, Run Veggies run!'.

The children have enjoyed exploring the vegetables, drawing them and talking about how they are similar and different.

We have been counting vegetables and practising our oral blending of sounds.

We have also been busy preparing the children for their next step in their learning journey. Children that will be attending Langley Park in September have been getting use to having lunch in the hall. We have all also been practising getting changed for PE and having a PE lesson in the hall.

Next week we will be starting to create some artwork based on Andy Warhol. The children will be talking about colours, shapes and starting to express their opinions on pieces of artwork.

The children will be continuing to visit their new classes and teachers during the week as well as talking about what exciting things will happen as they move to big school.

Dates for Diary:

Friday 13th July: Dress up as a superhero day!

Wednesday 18th July: Nursery Graduation

Thursday 19th July: Nursery Graduation.

Friday 20th July: Last day of Term 6 and End of Year Parties in AM and PM.

PE Kits

If you would like your child to practise getting changed for PE lessons in preparation for big school please send in a named bag with; a t-shirt, a pair of shorts and a pair of trainers or plimsols. This will really help with their independence when they move to their new school.

Spare Clothes and Drink Bottles

Please ensure your child comes into nursery every session with some spare clothes. Whilst we have some clothes we do not have enough to cater for lots of children.

Please could you also check your child's water bottle is labelled, we currently have multiple identical bottles. Many Thanks!

Well done to Ivy for always asking good questions to find out more information about our world!

Well done to Victoria-Lily for growing in confidence when playing with unfamiliar children.
