Leo's Memorial

Following the tragic death of Leo Tompsett we have been working with the family to identify ways to remember Leo.

With their blessing, we have decided to build a 'Memory Garden' for all children to enjoy and access. The loss of someone close is devastating, but we want our children to know that we can also remember the happy times. One suggestion is that children can decorate a pebble to remember someone special, which we can then incorporate into the garden. This is in the very early stages of development, but if you have any ideas please let us know. A memorial service for Leo has been arranged. For further details please contact the school office.

Uniform

It is expected that all children will wear their full uniform daily. This includes black school shoes, grey or white socks or tights for girls, grey trousers/shorts or school tartan skirt, school jumper or cardigan, white shirt/blouse and a tie for the boys. Long hair tied back. No jewellery, Make-up or nail polish is allowed.

PE Kits must include: blue shorts or skirt, white T-shirt, trainers and blue tracksuit.

Scooters

We are so pleased that more people are walking, cycling or scooting to school but from September bikes and scooters are not to be ridden in the playground by pupils or younger siblings – there are now too many people and there have been a number of accidents. Thank you.

Finally...

As another year passes at Langley Park I wish you and your family a safe and sunny summer break. Thank you for your continued support – the academy really is a lovely place to learn and work for the pupils and the staff. Our little community is happy, healthy and hard-working!

I couldn't be prouder of everyone involved.
