Welcome to Reception!

WOW!

What an amazing first week we have had. All of the EYFS team are incredibly proud of how well the children have settled this week. We have been learn the routines and rules of the classrooms and have been doing so well to remember so much.

Parents please be aware that your child may become tearful in the next few weeks. This is completely normal!

They will become tired and realize they have to come to school everyday but please don't worry, once they are with their friends they forget why they upset.

Please see below our class emails – allow staff 48 to reply (we will always try to reply sooner).

If your child is absent please contact the office.

If you are worried or concerned about your child or something that may have happened during the day please speak to the class teacher, please do not approach other parents about incidents.
