

Foundation Stage Newsletter

Friday 14th September 2018

This week we have been learning about:

Our classrooms and our friends!
We have had lots of firsts this week...
We had our first P.E lesson (about different ways of moving), our first school reading books, our first assembly and our first full week of reception!

The grown ups are incredibly proud of how brilliant we have been, especially as we're all getting a little tired and a little emotional.

Reading books: All children should now have 1 phonics book and a library book (a book of their choice). Please encourage your child to predict what is happening in the story/ make their own story up/ find recognisable letters (if the book has words in it – don't worry if it doesn't we will be swapping them all around).
Bring them back next week, we will give the children a specific day which they will read to an adult and this will be sent home in a letter shortly.

Phonics: We will be starting phonics next week. We will be running a parents workshop in the next couple weeks – further details to follow.

Thankyou for the all the junk modelling bits and bobs coming and to those parents volunteering time and muscles!

Please remember...

- Earrings must be taken out for P.E
- Please check all school and P.E clothes are labelled clearly.
- If you are providing an afternoon snack for your child please only provide fruit/ vegetables/cheese – no sweets please.
- We are a nut free school!

Thought for the week.

'Today is a good day to try' – Hunchback of Notre-Dame

Star of the week goes to...

Olivia. Bu – Discovery Class

Olivia has been trying her best, been super kind to her classmates and very helpful in class!

Lea – Apollo Class

Lea has been very helpful inside and outside the classroom and very kind to her classmates!

Congratulations!
