

Foundation Stage Newsletter

Friday 28th September 2018

This week we have been learning about:

More shapes and more stories!!

We were exploring more 2D shapes by sorting them in different ways (by colour, how many sides they have etc). We are thinking about which characters are our favourite Mr Men and Little Miss characters – we made a class bar chart to determine which story each class will look at next week. We also painted our favourite characters and made new houses for them!

Home learning: Practice finding the taught phonics in the reading books and in the environment around them. Can your child write these sounds? We teach cursive writing at school which will need a lot of practice!

Thought for the week.

*'When you see a person without a smile,
give them yours'* – Zig Ziglar

Phonics: We are continuing phonics at a fast pace – this week we learnt the sounds :
i (igloo), n, m, d

Sounds learnt so far: s, a, t, p, i, n, m, d
Attached is the actions that go with our sounds.

Thank you to all parents and carers who were able to come to our phonics session – We hope it was useful in supporting your child's reading at home. More meetings planned after half term.

A letter indicating when your child's reading day is should have come home this week (if it has gone astray please see your child's teacher). Please ensure your child's reading books and reading record are in their school bags (it is useful to have them in the bag all week in case we need to quickly change a reading day).

Please remember...

- Afternoon snacks to be fruit/ vegetables or cheese!
- P.E is every Tuesday.

Star of the week goes to...

Oliver – Discovery Class

For his brilliant estimating skills!

Dominic – Apollo Class

For trying really hard in all his activities in the classroom!

Congratulations!
