

Year 3 Newsletter

Friday 21st September 2018

In our topic, This Is Me, we have been learning all about ourselves, our hopes and dreams and changes.

In English, we have been looking at the features of a non-chronological report. The class have worked incredibly well in groups to identify features of this text type and explain why they are used. To do this, we compared a wide range of texts and looked for similarities between them. So that we can write our own non-chronological reports, Fortune have been researching and finding out all about Moths as this links to our new story 'Moth' by Isabel Thomas.

In Maths, we have continued working on our understanding of place value and numbers to 1000. This week, Fortune have worked hard to ensure they are able to order and compare a range of numbers. We have used our understanding of place well to help us do this and have been using lots of tricky mathematical vocabulary such as ascending and descending!

In our topic sessions, we have been working incredibly hard ahead of our visitors arriving next Friday. We have worked together to come up with a range of interesting questions to ask our guests so that we can find out as much about them as possible. Fortune have also experimented with watercolours this week to help create incredible artwork linked to change.
