

Year 3 Newsletter

Friday 28th September 2018

In our topic, This Is Me, we have been learning all about ourselves, our hopes and dreams and changes.

In English, we have been working incredibly hard on our editing work. Fortune have improved their non-chronological reports about moths to make sure they include a wide range of features and description. The class have also been incredibly helpful this week in helping me improve my writing. They have used a wide range of amazing skills and resources to improve my incredibly boring writing and turn it into something amazing!

In Maths, we have started looking at our new topics of addition and subtraction. The class have taken on a wide range of challenges when adding and subtracting ones, tens and hundreds so far this week. We have also been introduced to the formal column method for addition. If you could practice this at home with your child, it would be greatly appreciated as it will help them become familiar with the process.

In our topic sessions, we have continued to prepare for our visitors from Ashley Gardens. We have baked cakes ready for our guests and created bunting to help decorate the room for when they arrive. Linked to our topic of change, Fortune have also started to think about the ways in which we could improve our local area. They have used maps and a range of software to help them present their ideas this week.

Term 1, Week 4 (To be tested on Thursday 4th)

Spellings:

Mr H's Group – inactive, incorrect, inappropriate, invisible, illegal, illegible, immature, impossible, impatient.

Mrs T's Group – when, where, bare, dare, care, rare, spare, share, scared, area.

Home Learning this week.

Please ensure you are reading regularly with your child. Login details for a new reading resource to use at home with your child called Read Theory have been sent home. Please use their login details to access the website. <https://readtheory.org/>

Your child's home learning project is due on the final Monday of Term 1. Please complete a range of activities from the list provided.

Please practise the 3 and 6 X tables at home this week with your child.

Reminders:

PE is on a Tuesday and Friday this term. Please ensure PE kits are in school on both days.

Please ensure all items of clothing, including coats, are clearly labelled.

Thank you.

Star of the week goes to...

Robert

Due to his fantastic effort with all of his written work this term.

Congratulations!
