Friday 14th September 2018

This week we have been learning...

This week, in our writing, we have continued to learn about biographies. We have been able to speak to our teacher about what improvements we can make to our plan. We have been able to use our plan to write a draft of our biography all about Princess Diana. Next week we will be moving on to learn about Little Red Riding Hood.

In Maths, we have continued to investigate place value.. We have learnt that two digit numbers are made up of tens and ones. We have used addition and place value charts to show our understanding. We have been able to use the greater than, less than and equal symbols to compare objects and numbers. We will continue to run through comparing numbers and objects next week as well as learn about multiples of 2's, 3's, 5's and 10's.

In our inquiry sessions we have written about different people that help us and what they are responsible for. We have collected what we would like to learn about using menti.com. We have learnt about British Values and written about what they mean to us.

In science we have explored different animals, investigated how they grow and created a life cycle.

In P.E we have started to learn about ball control, throwing, catching, kicking.

How you can help at home.

Count in 2's, 5's 10's and 3's in preparation for next week

Home Learning this week:

Reading with your child.

Spellings

Spellings: Write

written, wrote, wrong, wrap, wrist wreck, wrestle, wriggle

Please remember

If you have any cable reels, old material, baskets, boxes or bricks please send them in we would like to make our outdoor learning area look great. If you have anytime to spare please help the school build a mud kitchen.

Thought for the week.

Star of the week goes to...

Empire- Darcie for showing resilience in her learning

Jazzy- Emilia for her effort in English .

Congratulations!
