

Year 4 Ambrosia Newsletter

Friday 5th October, 2018

This week we have been learning...

This week, we have written formal letters to the building society explaining what happened to Beans and Gadgetman. We have also taken police statements by hot-seating the characters.

In Maths, we have been ordering numbers over 1000 and rounding numbers to the nearest 1000. We have also been counting in 25s and looking at the pattern with these. We have started to look at different parts of the body and made a model of the digestive system using tights, orange juice and crackers. Ask us to explain what we saw.

Thanks to the generosity of one of our parents, we have had a donation of disclosing tablets. If the tablet is chewed, the plaque on the teeth changes colour and shows the children where they need to brush.

If you would like your child to receive one of these, please contact me via ambrosia@langleyparkprimaryacademy.org or see me at the end of the day.

Home Learning this week:

Reading with your child.

Times table of the week-8s.

Spellings will be given out on Mondays to be learned for the following Monday.

We are still accessing Times Table Rockstars as part of a trial. The log in details have been given out. Please contact me if you need these again. Our trial ends on the 16th October.

Please send in contributions for our harvest assembly on 10th October.

Thought for the week:

Star of the week goes to...

Sam

For his excellent formal letter and great effort with his times tables.

Congratulations!
