

# Year 4 Ambrosia Newsletter

Friday 19th October, 2018

## This week we have been learning...

We started the week by taking our fingerprints and looking at the shapes of the ridges on our prints. We have written an instruction manual to be used in Gadgetman's Spy Kit using everything we know about good quality instructions.

In maths, we have been using the column method to add four digit numbers. We have had to use all the work we did on place value to ensure that all the digits were in the right place. We have also been estimating our answers using rounding to check our answers are likely.

We have continued looking at how people make a difference by focusing on the 'Give' part of the ways to wellbeing. We researched the life of Gandhi and how he used non-violent methods to make changes.

Next term, we will be looking at 'Superhero Scientists.'

## Home Learning this week:

Reading with your child.

Times table of the week-11s.

Spellings will be given out on Mondays to be learned for the following Monday.

Good News! Although our trial access to Times Table Rockstars has finished, the decision was made to purchase the full subscription. As soon as this is finalised we will notify you. Thank you to everyone who fed back about the website,

## Thought for the week:

“ Reading is dreaming with eyes wide open. ”

Star of the week goes to...

**Khadija**

For her amazing all-round effort in everything she does...

# Congratulations!
