

Year 3 Newsletter

Friday 5th October 2018

In our topic, This Is Me, we have been learning all about ourselves, our hopes and dreams and changes.

In English, we have been looking at what makes a fantastic letter. Fortune have developed their understanding of the features of this text type and have then applied this understanding when writing their own letters to the residents of Ashley Gardens. The class have used this as an opportunity to ask the residents even more questions about their lives so that we can find out even more about what has changed and what makes our home town great.

In Maths, we have continued looking at our topics of addition and subtraction. Fortune have taken on a wide range of challenges when adding and subtracting this week; they have continued to apply their understanding of the formal column method to a range of tricky questions. Please continue to support your child at home with their understanding of this method as practice makes perfect!

In our topic sessions, we have been working incredibly hard when creating sketch maps of our school and local area. We are going to be using these to help us develop a tour of Langley Park where we explain what we think makes our school great. We are doing this because Langley Park is something that helps make us, us! Fortune have also been working very hard on analysing sources and identifying changes in Maidstone over the years.

Term 1, Week 5 (To be tested on Thursday 11th) Spellings:

Mr H's Group – disappoint, disagree, disobey, misbehave, mislead, misspell, where, were, wear, because.

Mrs T's Group – will, yell, shell, back, pack, afraid, again, train, point, boil.

Home Learning this week.

Please ensure you are reading regularly with your child. Login details for a new reading resource to use at home with your child called Read Theory have been sent home. Please use their login details to access the website. <https://readtheory.org/>

Your child's home learning project is due on the final Monday of Term 1. Please complete a range of activities from the list provided.

Please practise the 3 and 6 X tables at home this week with your child.

Reminders:

PE is on a Tuesday and Friday this term. Please ensure PE kits are in school on both days.

Please ensure all items of clothing, including coats, are clearly labelled.

Thank you.

Star of the week goes to...
Ruby

Due to her fantastic effort and application in Maths this week.

Congratulations!
