

Year 3 Newsletter

Friday 12th October 2018

In our topic, This Is Me, we have been learning all about ourselves, our hopes and dreams and changes.

In English, we have been developing our own scripts. Fortune have worked incredibly hard to develop their understanding of the features of a play script and have then worked incredibly well in groups to create their own group scripts for our video tour of LPPA. The class have made sure they have included a wide range of adjectives and adverbs in their scripts to make their performance as interesting and engaging as possible for the audience.

In Maths, we have continued our topic of addition and subtraction. Fortune have continued to apply their understanding of the formal column methods for addition and subtraction this week. They have used their understanding well to complete a wide range of challenging investigations that involve finding all of the possibilities. Please continue to support your child at home with their understanding of this method as practice makes perfect!

In our topic sessions, we have been working incredibly hard when creating sketches of our local area. We have used Jeannie Baker's 'Window' as inspiration for our work when helping us create accurate and detailed sketches. Fortune have worked incredibly hard this week on their Harvest assembly – please keep an eye on the website for a video of Fortune and Ambrosia performing, 'School on the Hill.' Thank you all for your incredibly generous donations to the Harvest collection.

Term 1, Week 6 (Tested on Wednesday 17th)

Spellings:

Mr H's Group – inactive, incorrect, inappropriate, invisible, immature, immortal, impossible, impatient, we're, went.

Mrs T's Group – can't, it's, let's, won't, feel, seen, free, tree, sheep, queen

Home Learning this week.

Please ensure you are reading regularly with your child. Login details for a new reading resource to use at home with your child called Read Theory have been sent home. Please use their login details to access the website. <https://readtheory.org/>

Your child's home learning project is due on Monday 15th October 2018. Please ensure a range of activities from the list provided have been completed so that they can be shared with the class during the week.

Please practise the 3 and 6 X tables at home this week with your child.

Reminders:

PE is on a Tuesday and Friday this term. Please ensure PE kits are in school on both days.

Please ensure all items of clothing, including coats, are clearly labelled.

Thank you.

Star of the week goes to...

Lilly

Due to her outstanding attitude in Maths this term.

Congratulations!
