

Foundation Stage Newsletter

Friday 16th November 2018

This week we have been learning about:

The Everywhere Bear by Julia Donaldson.
We thought of journeys The Everywhere Bear might go on, played teddy counting games and started to learn how to add groups of objects together.

We wrote and drew pictures of what happened in the beginning, middle and end of our story and have also practiced counting objects and writing the number that matches them.

We also made our own special paper bears and stuffed them to make them squishy!

Home learning: Can your child make an adventure up about their favourite bear? Children could draw a picture in their home journals and try to write some words describing where the bear is.

Thank you to all the grown ups who were able to share our Children In Need stay and play. We hope you had a lovely time with us.
