

Year 3 Newsletter

Friday 19th October 2018

In our topic, This Is Me, we have been learning all about ourselves, our hopes and dreams and changes.

In English, we have been creating our own explanation letters. Fortune have worked incredibly hard to develop their understanding of the features of a letter and to ensure that they include them all accurately. The class have made sure they have included a wide range of incredible techniques in their letters to make them as interesting as possible for the readers.

In Maths, we have continued our topic of addition and subtraction. Fortune have tackled the tricky topic of exchanging and bridging over the past week and have been working incredibly hard to make sure they are confident when applying the column method. Please continue to support your child at home with their understanding of this method as practice makes perfect!

In our topic sessions, we have been working incredibly hard when creating sketches of our local area. We have continued to use Jeannie Baker's 'Window' as inspiration for our work when helping us create accurate and detailed sketches. Fortune have used this idea to create our own versions of 'Window' collages in groups to show the changes in our every changing local area. Fortune have also been busy recording their scripts for our video: 'What makes Langley Special?' which we hope to be ready to share with you in the first few weeks of next term.

Home Learning this week.

Please ensure you are reading regularly with your child. Login details for a new reading resource to use at home with your child called Read Theory have been sent home. **Please use their login details to access the website.** <https://readtheory.org/>

If you require new log on details, please contact me for this information.

Thank you for all of your hard work with this term's homework project. It was wonderful to be able to share the children's learning with the class during the final week of term.

Over the half-term break, please continue to practice the column methods for addition and subtraction at home with your child.

Please practise the 3 and 6 X tables at home this week with your child.

Reminders:

PE is on a Tuesday and Friday this term. Please ensure PE kits are in school on both days.

Please ensure all items of clothing, including coats, are clearly labelled.

Thank you.

Thank you all for your continued support. We hope you all have a wonderful half-term break and look forward to seeing you all again on 5th November 2018.
