

# Foundation Stage Newsletter

Friday 7<sup>th</sup> December 2018

**This week we have been learning about:**

Stick Man by Julia Donaldson.

We have story scribing some new adventures that Stick Man goes on as well as making our own stick men!

We have been practicing writing tricky words and numbers 1-20. We are getting very good at this!

We have also been super busy practicing our Nativity play – we are sounding fantastic and we cannot wait to share our performances with you.

We had a lovely time at our panto trip – the children were brilliant and had lots of fun!

**Home learning:** Can you draw a picture of Stick Man of one of his adventures? Can they write words to go with the picture?

**Phonics:** We have started to introduce some Phase 3 sounds but will fully start these after Christmas. Please keep practicing the sounds we have learnt so far and blending them together to make words.

**Class Christmas Party will be Monday 17<sup>th</sup> December in school time. Children can bring party clothes to change into and staff will sort food and games.**

**Please remember...**

- We are sending P.E kits home this week – please check for items that do not belong to your child and bring them back to school so we can find their rightful owners.

**Can you help?**

- Next term our theme will be transport – If you are having a sort out of any transport toys please donate them to our classes!

**Thought for the week.**

*'Difficult roads often lead to beautiful destinations' - Unknown*

Star of the week goes to...

**Jake – Discovery Class**

For absolutely brilliant singing and narrating in our nativity rehearsals.

**Ethan – Apollo Class**

For going above and beyond with his mathematics skills!

# Congratulations!
