Friday 14th December 2018

This week we have been learning...

In our writing this week we have written a recount about our school trip to the pantomime or our weekend. We have been able to edit this piece of work before writing it up in our best.

In Maths, we have been continuing to count on in 2's, 5's and 10's. We have been able to use RUCSAC to solve word problems, some of us have been able to use RUCSAC to solve word problems, some of us have been able to use the inverse to check our answers.

In our inquiry sessions we have been researching musical artists from our country. We have been able to discuss the genre of music and instruments they have used. We have used this new knowledge to create a piece of music in their style.

In P.E we have been able to play netball ensuring we could defend our goal and pass to our team mates.

How you can help at home.
