Happy New Year to all our children, families and the community.

We can't believe the Christmas break is already over! The children have all come back focused and ready to learn – we have had the most wonderful week. As you know we have started to use the International Baccalaureate's Primary Years Programme (PYP) as a Framework for our teaching. We are so pleased with the impact we are already seeing and the increased engagement from the children. The new areas for inquiry are under-way and the children are already full of new ideas and information – I hope they are sharing this with you at home. There will continue to be lots of opportunities to come into school and learn with your child – please keep a look out on the class newsletters. Thank you for your continued support.

Car Park

No parking
Drop off zone only

Please can we remind you that the Drop Off Zone is for just that in the mornings. If you need to walk your child to the gate or classroom please use the car-parking spaces. This will ensure that those parents who want to

drop off can do so and then move off. At the end of the day the Drop Off point can be used for parking.

We will be issuing reminders to car windscreens if we find parents continue to park in the Drop Off Zone during the morning.

Thank you for your help with this.

Can I also remind you that the speed limit is 5mph for all vehicles.
