Friday 7th December 2018

This week we have been learning...

In our writing this week we have been able to make our best piece yet. We have looked at features of reports and designed a new layout to make our reports stand out. We have been able to include sub headings and pictures both drawn and printed. Later in the week we have been looking at recounts. We have investigated what a good recount must include and spoken about the order it should be written in. We have then used this new information to write a recount on how we traveled to our holiday destination.

In maths we have continued to learn about multiplication. We have focused on the 2's, 5's and 10's times tables. We have also been learning how we can use arrays to help solve more complex problems. We have also completed our terms math assessment to show how much we have learnt and what we need to focus on next.

In inquiry this week we have planned and produced a banner for our travel agents opening on Wednesday 19th at 2pm. We worked individually to plan a piece then chose the best parts of the groups work before making the final display banner.

In P.E we have been able to play netball ensuring we could defend our goal and pass to our team mates.

How you can help at home.

Count on in 2's, 5's and 10's

Home Learning this week:

Reading with your child.

Spellings

Multiplication

Spellings: find, mind behind, old, cold, gold, hold, told, every, everybody

Please remember

Christingle service on Tuesday 18th December on 2pm. Wednesday 19th December come and see our travel agents from 2pm. The class email is empire@langleyparkprimaryacademy.org.uk or jazzy@langleyparkprimaryacademy.org.uk

If you wish to discuss anything further.

Thought for the week.

Star of the week goes to...

Empire- Ethan.V for working hard on joining his handwriting.
Jazzy-. Lola for consistently committing to high quality work

Congratulations!
