

Year 4 Ambrosia Newsletter

Friday 8th February, 2019

We have had another busy week in Ambrosia. As requested by the children, they have planned and started to write their own Greek myths that incorporate heroes, mythical beasts, Greek gods and goddesses and an exciting quest. Next week we will complete our publishing and create our book. Our moving Greek scenes have been designed in groups. Yesterday was spent measuring accurately, listening to health and safety rules over using saws and glue guns and all children were able to use the saw, whilst keeping all fingers attached. Our cam designs are being tweaked as we go to ensure each design has the movement that the children had planned. In maths, we have continued to practice all aspects of multiplication that we have looked at over the term and have started to use concrete apparatus and number lines to divide.

As it was Safer Internet Day on Tuesday, we looked at ways we could ensure we are keeping ourselves safe online. We decided that it is important to use the internet where our parents can see what we are doing and to always ask parents if someone friend requests us in a game. We also thought it was safer if we knew those people in real life. We also learned it was important to never share phone numbers or pictures without permission of the owner.

TTRS IS BACK!

Home Learning this week:

Reading your class book.

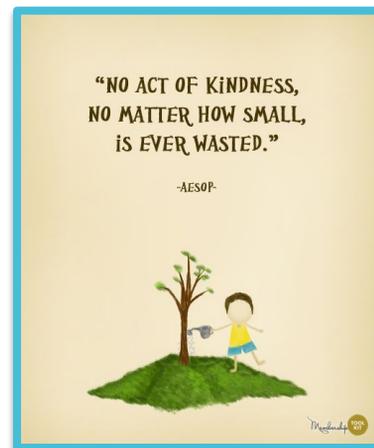

Read Theory.

Times Table Practice.

Spellings will be given out on Mondays to be learned for the following Monday. This week is continuing using the prefixes sub- and super-. Homework this week is to compare life in Athens and Sparta.

If your child wishes to complete a PowerPoint or Google Slide Document, please forward to:
ambrosia@langleyparkprimaryacademy.org.uk

Thought for the week:

Star of the week goes to...

Ethan

for his effort and enthusiasm in all recorder sessions.

Congratulations!
