

# Foundation Stage Newsletter

Friday 8<sup>th</sup> February 2019

## This week we have been learning...about rockets!

We read the story 'The Way Back Home' by Oliver Jeffers. We learnt about speech bubbles and wrote our own versions of what the characters in the story might say.

We thought about what would happen if we got stuck in space and design (and labelled) some amazing vehicles to get us into space.

We learnt facts about the moon and the names of the planets in the solar system.

On Friday we celebrated the Chinese New Year of the pig! We tried to write some Chinese symbols, ate noodles with chop sticks and made paper lanterns!

## Please remember:

- School is closed next **Friday (15<sup>th</sup> February)** for Inset.
- If you have any spare knickers, pants, socks, jogging bottoms, t-shirts, tops etc that we could have as our spares when children need changing please help as our stock is rather depleted.

**Phonics** – Our new sounds this week are oo/oo (book/roof), oa (goat), ar (car), igh (night)

**Tricky word** – my

**Home Learning this week** – Write a sentence (or 2) about a space adventure or make a rocket/ spaceship!

## Thought for the week.

*"The darkest nights produce the brightest stars"* – John Green

Star of the week goes to...

**Archie : Discovery Class**

For trying incredibly hard with his writing and phonics!

**Nicole: Apollo Class**

For always trying to do the right thing and being kind to her friends.

# Congratulations!
