

Year 2 Newsletter

Friday 25th January 2019

This week we have been learning...

This week, in our writing, we have continued to look at our book '**The Lion and the Mouse**'. We have been able to understand the many morals of this story. We have then planned and begun to write our own story with new characters and new setting with the same moral.

In Maths, we have started to learn about 2D and 3D shapes. We have been able to explain the difference between 2D and 3D shapes before focusing on 2D shapes. We have learnt about sides and vertices of 2D shapes. We have been able to use peg boards to draw 2D shapes and looked at what shapes are symmetrical.

In our inquiry 'My mystery circus' we have looked at local and worldwide habitats. We have been able to compare circus' from the past to circus' of today. This led to a discussion on animal welfare. We have researched animal charities and found how they help different animals and how they make their money. Some of us even want to adopt these animals. In art we have been able to use colours for a purpose. In P.E we have been able to use our balancing skills to take part in yoga.

How you can help at home.

Discuss what animals you could adopt at home.

Home Learning this week:

Reading with your child.

Spellings

Multiplication

Spellings: all, ball, call, walk, talk, always, small, wall, fall, altogether

Please remember

P.E is on a **Tuesday and Thursday**, all **earrings** must be **removed** for these sessions. You are invited to join us on the 14th February for our circus experience, times to follow.

Thought for the week.

Star of the week goes to...

Empire- Violet for working hard on being independent.

Jazzy – Olly.W for showing resilience all week.

Congratulations!
