Friday 5<sup>th</sup> April 2019

## This week we have been learning...

In our writing, we have been able to plan and produce a final piece. We have written a persuasive letter to Helen Whatley suggesting what we could add to our community to make it better. We hope to have a response in the new term.

In Maths, we have completed our end of term assessments to show how much we have progressed in our learning. We have been able to recognise different coins and notes and use the methods from last week to add money and find change.

In our inquiry 'HOT! HOT! HOT!' we have continued to learn about our community. We have been able to discuss what our community is and how this brings us together. We have worked in small groups to suggest how our community could be improved and make the area better.

We have been creative and made Easter cards using a range of materials.

In P.E we applied our skills of throwing and catching to play a game of dodge ball.

## How you can help at home.

What technology do we use and how?

## Home Learning this week:

Reading with your child

Spellings

Homework challenge

Sumdog <https://www.sumdog.com/>

**Spellings:** enjoyment, sadness, careful, playful, painless, argument, merriment, happiness, plentiful, cheerful

## Please remember:

We return to school Tuesday 23<sup>rd</sup> April. Please bring named P.E kits and check you have the correct uniform. Empire class have a brand new named cardigan missing and someone also went home in the wrong trousers.

## Thought for the week:

Virtually all personal discoveries or breakthroughs begin with a change of mind or a change of heart.
