

Year 1 Newsletter

Friday 13th September 2019

This Week:

We have had a great week learning all about ourselves, our families and the families of our friends.

In English, we have been writing full sentences about ourselves and the people in our families. Next week, we are going to be using the baby photos you have kindly provided to explore how the children have changed.

In Maths, the children have been using objects in different ways to represent numbers up to 10. Next week we will be investigating the "more than" and "less than" symbols.

In our Inquiry lessons we have been learning about our bodies and labelling the different parts.

How can you help at home?

Please continue to read with your child at least 4 times a week for 10 minutes and note down any unfamiliar words or sounds that they may have seen whilst reading.

Home Learning this week is:

Spellings: off, if, miss, us, yes

Spelling test will be every Friday and completed in the children's Spelling Books

The homework for the term has been set, so explore some of the activities with your child when you are ready. This is due back to school by Friday 11th October 2019.

Please remember

Your child will be provided with a piece of fruit by school for their morning snack each day. We ask that you therefore provide your child with a snack they can eat during afternoon playtime on the playground. This can be a piece of fruit, tube yoghurts, crackers, cheese or a healthy cereal bar (No nuts please).

If you wish to contact us regarding your child, please use the below email addresses and we aim to respond in 48 hours. Thank you.

enterprise@langleyparkprimaryacademy.org.uk

Important Dates:

27th September: Macmillan Coffee Morning (no Celebration Assembly).

21st October - End of term 1.

4th November - Start of term 2.

Star of the week goes to...

Enterprise – Niamh: For impressing Mrs Few with her amazing writing.

Jubilee – Alfie: For showing great confidence and knowledge in the classroom.

Congratulations!
