Welcome to Reception!

WOW! We have had such a fantastic first week at big school! All of the EYFS team are so proud of how well the children have settled into their new classes. We have been focusing on routines and learning the rules of the classroom. There is so much to remember, but we have been doing so well!

Parents please be aware that your child may be quite tearful over the next few weeks, but don't worry - this is completely normal. They will become tired and realize they have to come to school every day, but please don't worry – once they are with their friends they soon forget why they were upset.

We will make some wonderful memories in Reception, the time flies by while we're having so much fun learning new things!

Please see below our class emails – allow staff 48 hours to reply (we will always try to reply sooner). If you are worried or concerned about your child or something that may have happened during the day, please speak to the class teacher. Please do not approach other parents about incidents.

Home Learning this week:

- Encourage your child to practice getting dressed by themselves to help them with their fine motor skills! This helps when they begin to change independently for P.E.

Next week:

We will be sending home reading books and reading records. We will send information about these with them, but please speak to your child's teacher if you are unsure of anything.

Please remember:

- P.E for both Reception classes are on a Monday and a Wednesday. Children will need their kit (all named – including shoes). Long hair should be tied back and any earrings should be removed
- Please provide your child with a water bottle and an afternoon snack (fruit/vegetables - **no biscuits/chocolate/crisps/nuts – we are a nut free school**)
- Our newsletters and other information can be found on the school website: langleyparkprimaryacademy.org.uk

Thought for the week:

"You have the potential to be anything you want." – Fran Watson
