Dear Parents and Carers,

Hub Model for Key Worker and Vulnerable Children

From Thursday 26th March 2020, we will be operating a hub model at Langley Park Primary Academy for the Maidstone LAT Cluster of schools (Langley Park, Molehill Primary, Oaks Primary and Tree Tops Primary) for Key Workers, where no alternatives are available and Vulnerable children that have already been identified and contacted. This decision has been made due to the staffing capacity needed to maintain the other sites.

In line with the government announcement, please do not send your child unless absolutely necessary. We do not want to place any child, family or staff at unnecessary risk.

There will be volunteers and senior staff from the cluster of schools on site at Langley Park daily and the children will have the opportunity to access their learning from their own schools.

We will continue to take all children's temperature on arrival and at lunchtime - any child who develops a cough or temperature over 38 degrees will be isolated and parents will be asked to collect asap.

If you have any questions please do not hesitate to contact us at Contactus@langleyparkprimaryacademy.org.uk

If you require any further advice or support regarding Covid-19 please use the Trust email address or contact 111.

Yours sincerely,

Mrs L Fidock

Principal
